Local Business Achieves Highest Sales Honor

Minneapolis, MN—

Wiley, the leading developer of Everything DiSC®-based corporate training and assessment-driven solutions, announced today that local business Associated Employers was recognized as a 2013 Opal award-winning Partner. The honor of Opal Award is the fifth-highest award level—in 2013, less than five percent of Everything DiSC Partners earned this esteemed award.

"Associated Employers is committed to bringing our world-class learning tools to their clients," said Barry Davis, Vice President and General Manager of Wiley Workplace Learning Solutions. "Our award winners have a strong dedication to providing clients with tools, resources, and counsel to help them navigate today's ever-changing, complex workplace environments. We are honored to have Associated Employers as a valued Partner."
