Preferred Prescriptions

Welcome to the EBMS Rx Preferred Prescriptions Program. It is being offered to you by **Associated Employers Group Benefit Plan & Trust** in an effort to help lower your prescription drug costs.

The EBMS Rx Preferred Prescriptions Program consists of a network of pharmacies with prearranged agreements to deliver high quality pharmaceutical services at discounted rates.

Qualified pharmacists fill your prescriptions using our computerized on-line eligibility verification system, which provides the pharmacy with all of the information necessary to fill your prescription.

To access the EBMS Rx Preferred Prescription Program, simply choose one of the participating pharmacies listed in the directory and present your EBMS identification card (with the “EBMS Rx Preferred Prescriptions” logo), along with your prescription or refill information at the point of sale. *****Please note that you must present your ID card at the time of purchase in order for the pharmacy to recognize you as a member of this program.*****

The pharmacy directory includes a list of participating providers in the EBMS Rx Preferred Prescriptions Program. EBMS Rx Preferred Prescriptions has contractual relationships with most of the retail pharmaceutical chains in the country. If you have any questions, or need help locating a pharmacy near you, please feel free to call.

Your health plan requires that you pay applicable charges at the point of sale. Participating pharmacies will then submit your claim(s) electronically to EBMS for processing. Because the claim is submitted electronically, it is not necessary for you to mail your prescription receipts to EBMS for processing when utilizing a participating pharmacy. If any reimbursement is owed to you, a check will be sent directly to you.

Out-of-Network Utilization: Your plan has chosen a penalty for out-of-network utilization. If a non-participating pharmacy is used, no coverage or reimbursement will be available.

Mail Order Benefits: For information on mail order for maintenance medications, please call the EBMS Rx Department at 866.894.1504.

For additional information about the EBMS Rx Preferred Prescription Program, or to request that a pharmacy be contacted for possible inclusion in the network, call or write:
