

- Victory Insurance Company is Montana owned.
- Victory is Montana's only Montana domestic licensed and authorized private workers' compensation carrier.
- Victory is a Montana business --- just like yours!
- Victory keeps your hard-earned money in Montana; while other entities send your money out of state or send your money to a government enterprise.
- Victory has insured hundreds of Montana policyholders and has successfully integrated with other insurance coverage needs for several years.
- Victory currently provides workers' compensation coverage for close to 10,000 Montana employees; and Victory processes and applies employer reported payroll in excess of 500,000,000 dollars each year.
- Victory has secured a 100% workers' compensation claims payment guarantee for your company. Victory is a member of the Montana Guaranty Association which would be obligated to pay 100% of covered workers' compensation claims liabilities.
- Independent financial rating organizations provide many great services; however, please note that they are not designed to pay or assume any financial liabilities.
- Victory has successfully provided Montana employers with workers' compensation coverage since 2007 and has maintained a 98% customer renewal ratio.
